Manual Revision: 10/28/2016

Package contents

- 1 x right bracket
- 1 x left bracket
- 1 x top bracket
- 1 x bottom bracket
- 4 x rubber feet
- 12 x 10-32 Phillips screws
- 36 x 10-32 mounting screws
- 36 x clip nuts
- 1 x instruction manual

Introduction

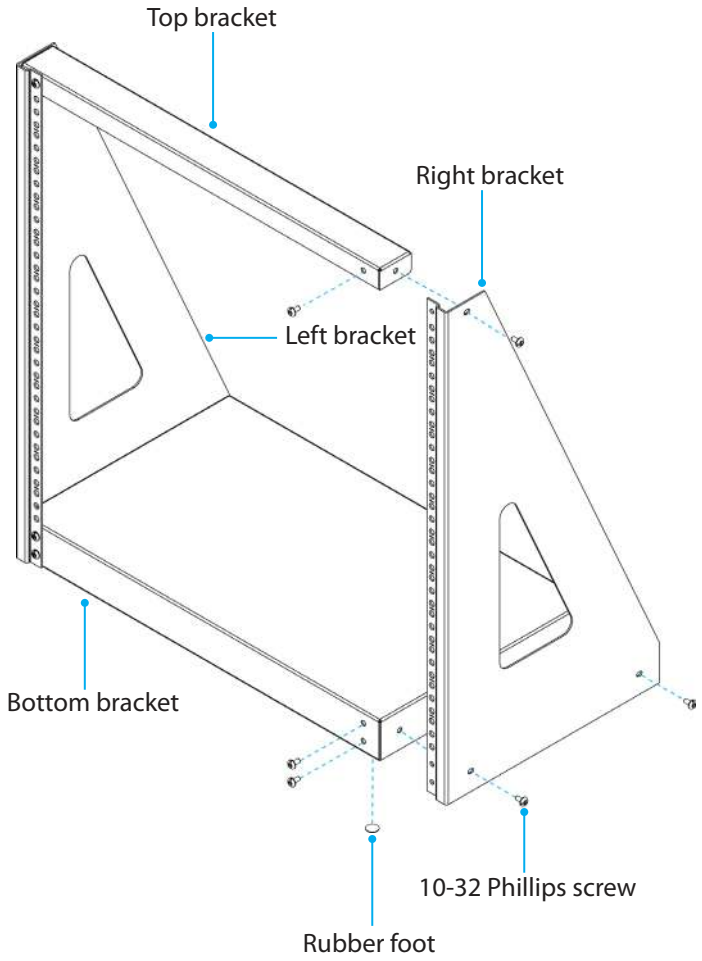

The 2POSTRACK12 offers a cost-effective and easy way to mount your equipment. The heavy-duty construction of the 2POSTRACK12 means it offers a higher weight capacity than other two-post racks, and it features tool-less clip nuts, which makes installation quick and straightforward.

Assembly

Warning! Make sure that the combined weight of the equipment doesn't exceed the weight capacity of this product. If you exceed the weight capacity, you might experience personal injury or damage to the equipment. This product can support the following weight: up to 113 kg (350 lb.).

1. Push the four **rubber feet** into the holes on the underside of the **Bottom bracket**.
2. Place the **Right bracket** against the **Bottom bracket**, and insert four of the **10-32 Phillips screws** into the brackets, and tighten the screws.
3. Repeat step 2 with the **Left bracket**.
4. Place the **Top bracket** on the inside of the **Right** and **Left brackets**, and insert two of the **10-32 Phillips screws** into the brackets at each end of the **Top bracket**, and tighten the screws.
5. Move the assembled rack to the location where you want it. Make sure that the surface you place the rack on is structurally capable of supporting the load capacity of the rack.
6. Arrange your equipment in the rack so that the heaviest item is on the bottom of the rack and the other items are arranged in descending order of weight, with the lightest item installed at the top of the rack.
7. Use the provided **clip nuts** and **10-32 mounting screws** to mount the equipment into the rack.

Caution! Don't move the rack after you mount equipment into it. Instead, remove the equipment, relocate the empty rack, and then load the equipment back into the rack.

Technical Support

Warranty Information

This product is backed by a lifetime warranty.

StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Use of Trademarks, Registered Trademarks, and other Protected Names and Symbols

This manual may make reference to trademarks, registered trademarks, and other protected names and/or symbols of third-party companies not related in any way to StarTech.com. Where they occur these references are for illustrative purposes only and do not represent an endorsement of a product or service by StarTech.com, or an endorsement of the product(s) to which this manual applies by the third-party company in question. Regardless of any direct acknowledgement elsewhere in the body of this document, StarTech.com hereby acknowledges that all trademarks, registered trademarks, service marks, and other protected names and/or symbols contained in this manual and related documents are the property of their respective holders.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.
