Package Contents

Router

Ethernet cable

Power adapter
(varies by region)

Router WiFi Network Name and Password

A sticker on your router displays the preset WiFi network name, password, and QR code.

Do More With the Nighthawk App

Now that your WiFi is set up, here are some more things you can do with the app:

- View a list of devices that are connected to your network.
- Change your WiFi network name and password.
- Test your router's Internet connection speeds.
