② Press "Level" to smooth surface.

Warning

① Place the device on a flat, hard surface, Do not use on carpet.
② Keep 2–4 in (5–10 cm) of clearance from walls and ensure the unit is not leaning against objects.

Helping Your Kitty Love the New Box

Step 1:

Put Both Boxes Together
Place the Ease S1 next to your cat's current litter box.

Step 2:

Add a Little Used Litter
Sprinkle some used litter from the old box into the new one.

Step 3:

Switch Slowly
Keep the old box until your cat fully uses the new one, then phase it out.

Disassembly & Cleaning Steps

Remove the Litter Guard

Rinse or brush the litter guard clean.

Empty the Waste Drawer

Warning:
Empty the waste drawer every 3–5 days to prevent odor and bacteria.

Remove the Litter Tray

Press both orange latches together.
Lift the tray upward.

Detach the Drive Boxes

Warning:
Do not rinse with water.
Wipe with a damp cloth if dirty.

Separate-Disassemble the Litter Tray Parts

Detach the litter tray, lid, and full-cover litter pad, then rinse or brush clean.

Clean the Base

Warning:
Do not rinse with water.
Wipe with a damp cloth if dirty.
