Rest Easy. Our Heaters Are Engineered In USA With A 1-3 Year Warranty!

Dr. Heater USA warrants that all heaters are free from defects in material and workmanship under normal use and service for three years after date of purchase.

After receiving the heater, you must register the unit by completing the Warranty Form and mailing it back to us. In order to keep this limited warranty in effect, the heater must have been handled and used as prescribed in the instructions. This limited warranty does not cover any damage due to accident, misuse, abuse or negligence. This limited warranty is valid only if the product is used with the equipment specified on the product box.

All of our products are backed by 30 days Satisfaction Guarantee. If the heater arrived damaged, we would be happy to replace the heater with a brand new working unit.

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
