*Images may differ from actual products.

STEP 1

DOWNLOAD APP

Get the **Tapo** app from the Apple App Store or Google Play.

Download on the App Store | GET IT ON Google Play

Scan to download

STEP 2

POWER UP

Plug in your camera and wait until the LED blinks red and green.

STEP 3

SET UP

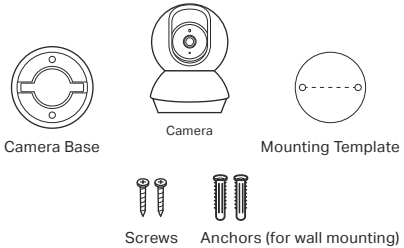

Tap the ⊕ button in the app and select your model. Follow app instructions to complete setup.

LED Indication

Solid red	Starting up
Blinking red and green	Ready for setup
Blinking red slowly	Connecting to Wi-Fi
Solid amber	Connected to Wi-Fi
Solid green	Connected to TP-Link Cloud server
Blinking red quickly	Camera resetting
Blinking green quickly	Camera updating

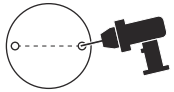

Mounting Kit

Mounting Instructions

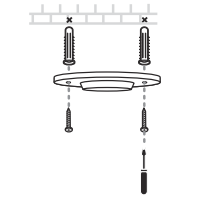

1. Mark Position

Place the mounting template where you want the camera. For wall mounting, drill two holes through two circles.

2. Mount Base

Affix the camera base using the screws.
For wall mounting, insert two anchors into the holes and use the screws to affix the camera base over the anchors.

3. Secure Camera

Attach the camera on the base and rotate to secure the camera.

Appearance

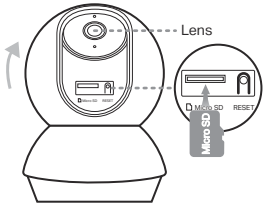

Tilt the camera lens up to find the RESET button and the microSD card slot.

RESET Button

While the camera is powered on, press and hold the RESET button for at least 5 seconds until the LED blinks red. The camera will reset and reboot.

microSD Card Slot

Insert a microSD card and initialize it on the Tapo app for local recording.

For technical support, the user guide and more information, please visit **www.tapo.com/support/**

- Keep the device away from water, fire, humidity or hot environments.
- Do not use damaged charger or USB cable to charge the device.
- Do not use any other chargers than those recommended.
- Do not use the device where wireless devices are not allowed.
- Adapter shall be installed near the equipment and shall be easily accessible.
- Use only power supplies which are provided by manufacturer and in the original packing of this product. If you have any questions, please don't hesitate to contact us.
- For indoor use only.
- Do not disassemble, repair or modify the product.
- Do not use the product if the casing has been broken. Danger of electric shock.
- Never touch the product with wet hands.
