Tips

1. Before Installation

Charge the lock for 3-4 hours before installing.

USB-A ⇌ Type-C

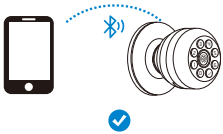

Type-C ⇌ Type-C

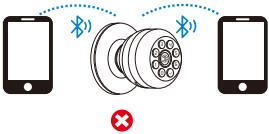

*The USB A+Type C charging cable is included in the accessory.

2. APP Control

Please confirm that the Bluetooth, Location permission, and Wi-Fi or Mobile network of your phone are turned on for the Smart Life App.

Two APPs can't connect the smart door knob with Bluetooth at the same time, one of the members must exit the APP completely.

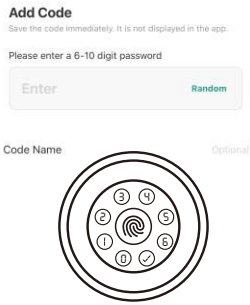

3. Fingerprint Unlock

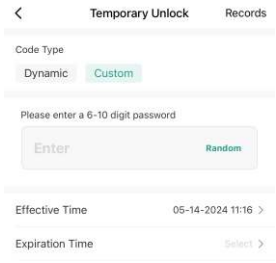

When recording fingerprints, please place your clean and dry finger at different angles and positions to ensure that a larger area is scanned.
The old and children may not use their fingerprints effectively, so keep your finger **clean, dry and place it in the center of the fingerprint reader**.

4. Password Unlock

Temporary passwords and member passwords **cannot be viewed** after they have been generated, so please **save them** even after generating them and then click Finish.

Check the included accessories before installation, if there are missing accessories, you can contact us for shipment.

Users can enjoy a worry-free experience with a 12-month warranty and 24/7 customer support.
