Kasa Smart Wi-Fi Light Bulb

Dimmable

KL110

Dimmable | No Hub Required | Remote Control | Voice Control | Set Scenes

Highlights

Dimmable Light

With a dimming range from 1% -100%, the Kasa bulb makes it easy to set the right brightness for any mood or activity. Perfect for bedrooms, living rooms and other rooms where dimming is needed. It can be controlled from anywhere with the Kasa app or with simple voice control via Google Assistant, Alexa or SmartThings.

works with Google Home

works with amazon alexa

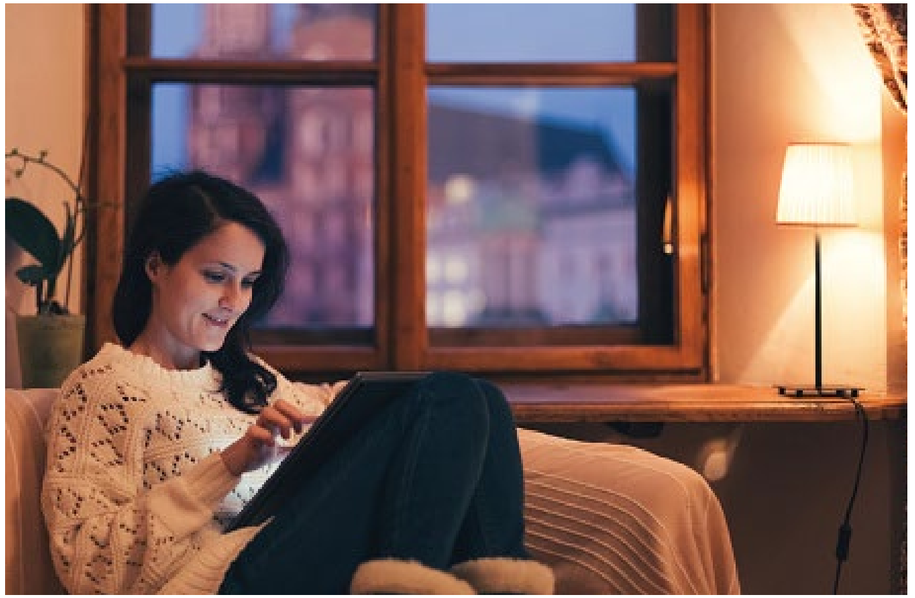

Works with SmartThings

*The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

*Alexa, Google Assistant, and SmartThings are not available in all languages and countries.

Multi-Scene

Create multiple scenes like theater scene, party scene or sleeping scene with different settings for various occasions, and tap yours when you want the light your way.

Highlights

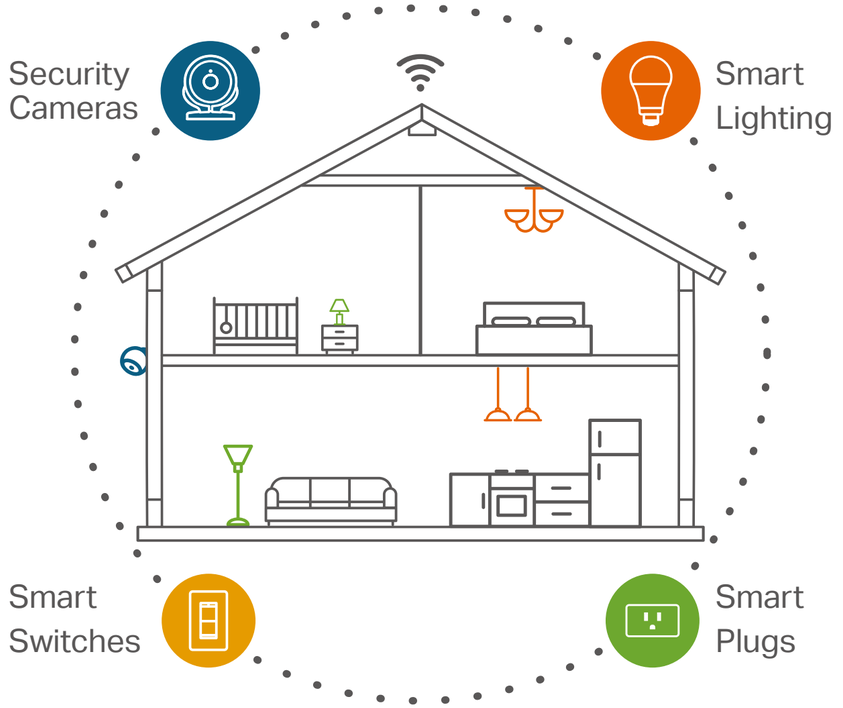

Energy Saving

Being connected means being "on" all the time and using electricity-even in standby mode. Kasa Smart Bulb's super low standby power is less than 0.2 watts, saving you both energy and money.

Your Home. One App.

Turn your home into a true smart home with Kasa Smart. Automate your lights and appliances with smart plugs, bulbs, and switches. Secure your home with Kasa cameras. Control it all from the Kasa Smart app.
