nomo SMART CARE™

quick start guide

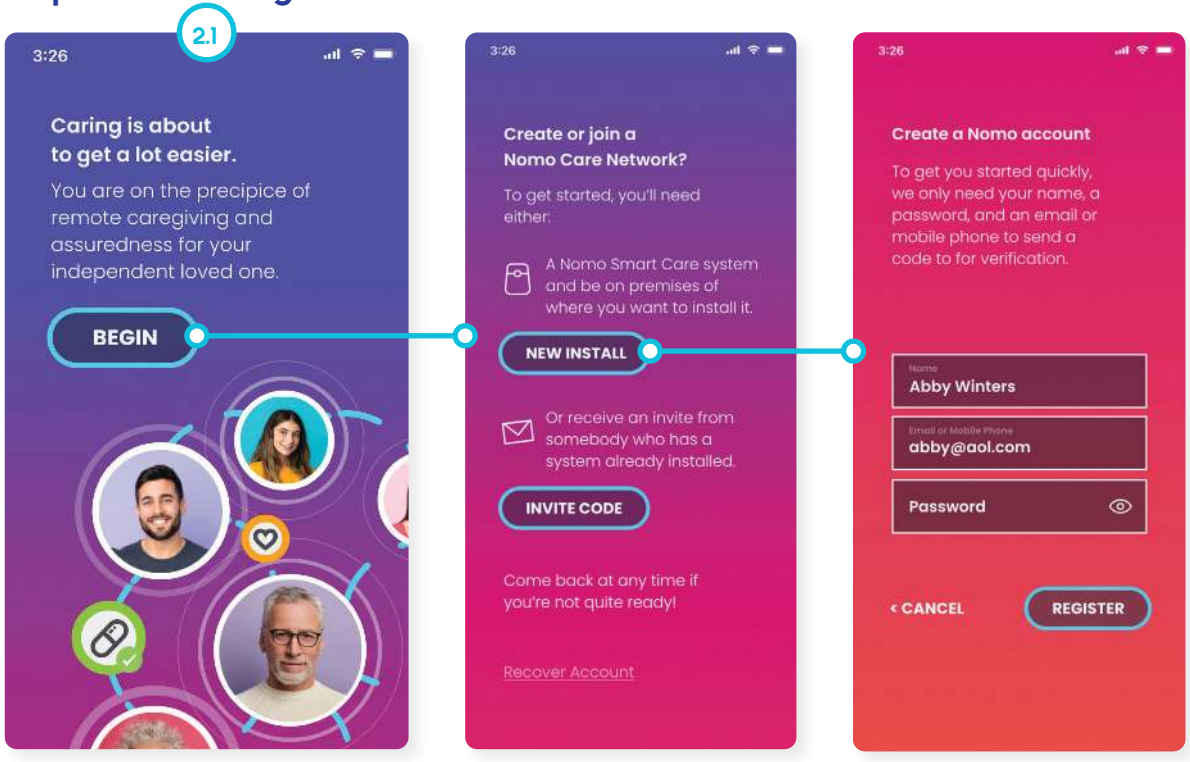

2. How to set up your account

2.1 On the Welcome Screen:

a. Tap "New Install."

b. Create a new account by entering your information and following the in-app instructions.

Tip: Make sure your Wi-Fi, Bluetooth and location services are on.

3. How to add your devices

3.1 **Once you have logged in successfully, a page will appear that says, "You're ready to install a new Nomo Smart Care system!" From there, tap "Continue."**

3.2 **To set up your sensor hub:**

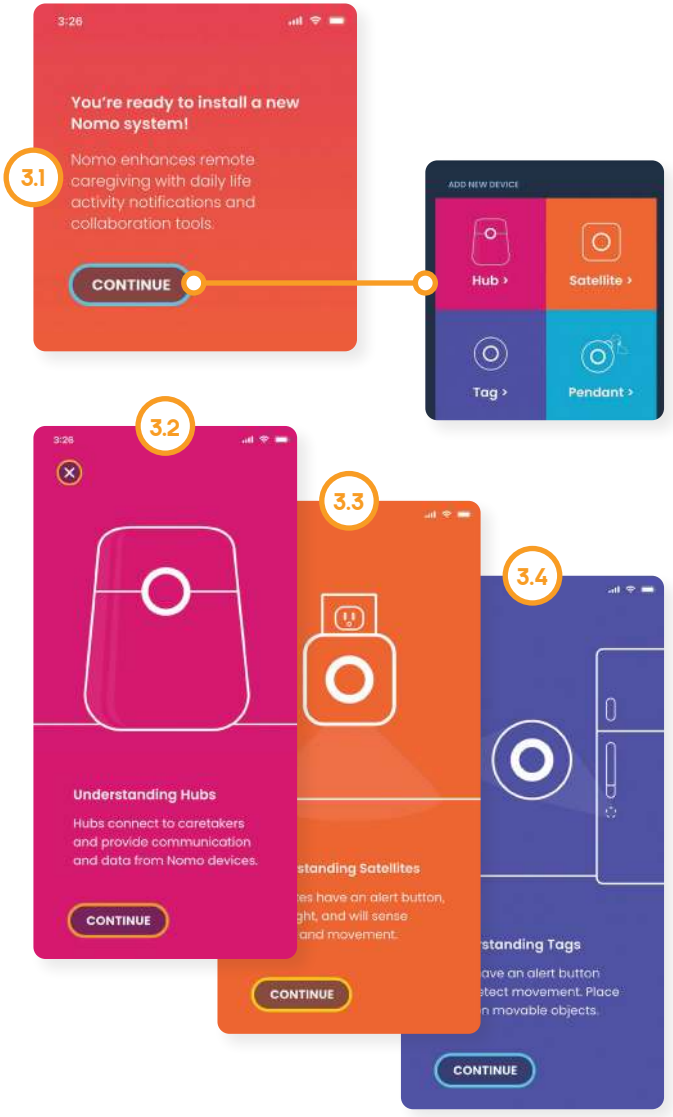

a. Review the information and tips on the hub landing page. Tap "Continue" when you're ready to proceed to the next step. Follow the in-app instructions.

3.3 **To set up the satellites:**

b. Review the information and tips on the satellite landing page. Tap "Continue" when you're ready to proceed to the next step. Follow the in-app instructions.

3.4 **To set up the sensor tags:**

c. Review the information and tips on the tag landing page. Tap "Continue" when you're ready to proceed to the next step. Follow the in-app instructions.

4. How to connect your care circle

4.1 How to add new caregivers:

a. In the app, tap on "Settings." Then tap on Caregivers. Tap "Invite Caregiver."

b. In the pop-up window, enter the "New" Caregiver's phone number or email address. Tap "Invite."

4.2 How to accept an invitation as a caregiver in an existing Nomo Smart Care Circle:

a. Tap the link in the email or text message you've been sent inviting you to join a Nomo Smart Care Circle as a caregiver. Note: This link will only be accessible for 48 hours. If you are trying to access the Nomo Care Circle beyond 48 hours, you will have to request a new link from the user who sent you the original invitation.

b. Tap "Begin" on the welcome page. To set up your profile, tap "Invite Code" and then enter the invitation code you received.

c. Follow the in-app instructions to set up a Caregiver profile.

4.3 How to confirm a new caregiver has been successfully added to an existing network:

a. Go to the "Settings" page and tap on "Caregiver" in the app.

b. Repeat step 4.1 to add additional family and friends to your care circle. .
