Welcome to the CHEF iQ community

Whether you're craving perfectly roasted chicken, crusty loaves of artisanal bread, or ultra-crispy French fries, CHEF iQ has you covered. With the iQ MiniOven™ on your side, there's no more guesswork: only guaranteed success.

CHEF iQ brings the future of cooking right to your kitchen. Our mission is to merge state-of-the-art hardware with easy-to-use software to create an exciting culinary experience and make it fun, exciting, and foolproof for each and every user.

You now have before you CHEF iQ's smart, intuitive toaster oven/air fryer. Connect the iQ MiniOven™ to the CHEF iQ App and let us take care of the rest. No matter what you want to cook, our oven will tell you the best time, temperature, pan, and rack position, and even start cooking remotely.

Join us on social media, where you can connect with fellow cooks and community members, chat with our crew, and share your culinary creations with the world!

How we cook smarter

Guided Cooking
An ever-growing library of interactive recipes helps you decide what's for dinner, tracks progress, and even controls the oven for you.

Thermometer-Compatible
The oven can be paired with the iQ Sense™ wireless thermometer, to track and guarantee perfect doneness.

Easy Presets
Tell the app what you're cooking and it will set the oven for the perfect temperature and cooking time, plus tell you the best accessory and rack position to use.

Ultimate Versatility
With 2 different cooking racks, a baking pan, and an air fry/dehydrate basket, the iQ MiniOven replaces up to 7 different appliances.

Manual Mode
Want to make your own favorite recipes? You can set the time and temperature yourself with the manual controls.

Powerful and Efficient
DC motor-powered convection fan heats the oven cavity quickly and evenly, for perfectly cooked food, fast.

Live Voice Alerts
Tell you when to flip, shake, or remove your food from the oven.

Touchscreen Control Panel
Built-in control panel lets you set the oven when your smart device isn't handy.

Guided Cooking on the CHEF iQ App

From sweet baked treats to family-sized meals, the CHEF iQ App has all the foods you crave. Find your favorite recipe and follow along with instructions, step-by-step videos, and auto-set oven controls for a foolproof culinary experience.
