Sunco

# 2 Head LED Exit Sign (Black)

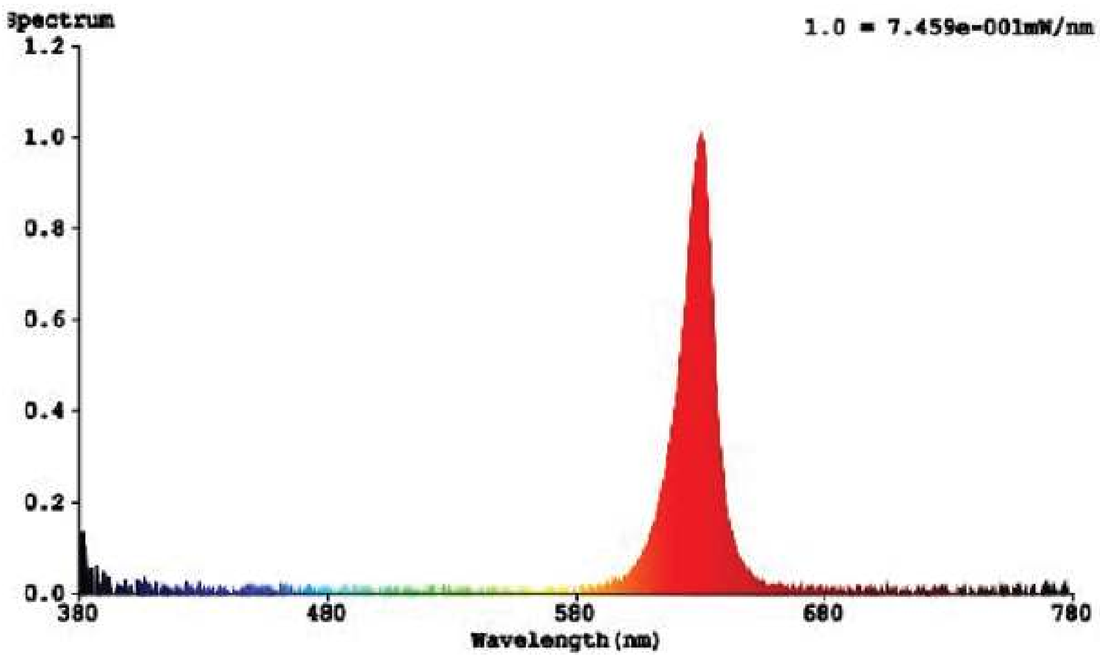

Enhance your safety with our 2 Head LED Exit Sign in sleek black. This versatile fixture not only offers 90 minutes of reliable lighting during power outages thanks to its built-in battery backup but also allows you to precisely position the 2 LED heads by swiveling them left or right, ensuring light exactly where you need it. Installation is a breeze, as we provide all the necessary mounting hardware for easy placement on either the ceiling or wall.
