CableCreation USB to RS232 with PL2303 Chipset User's Guide

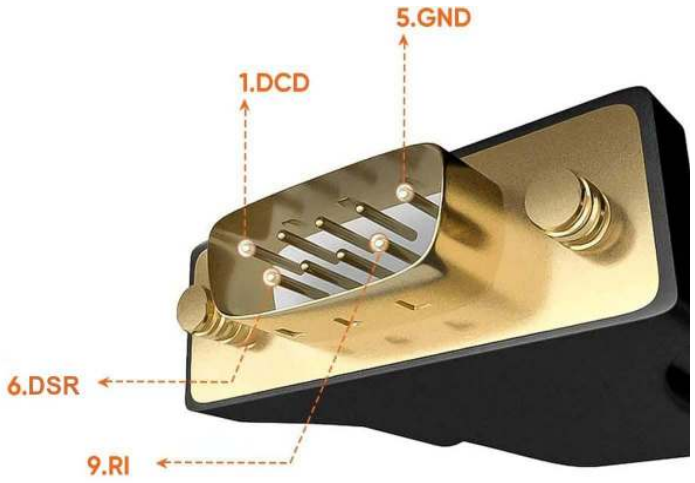

(macOS,Windows) (#CD0477,CD0478,CD0479,CD0488,CD0489,CD0490,CD0491,CD0493)

Dear Customer,

Thank you for choosing CableCreation.
For optimum performance, please kindly read the following user's tips:

1: Before purchase this item, please check if your devices' serial ports match with our adapter as below:

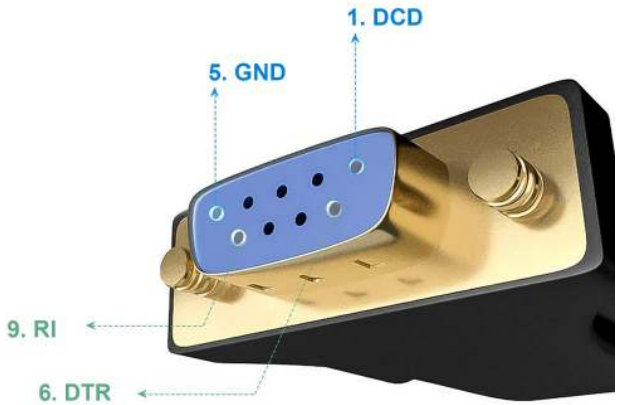

1.1 Our pin assignment of DB9 male port:

DB9 male pin assignment

1. DCD	2. RXD	3. TXD	4. DTR	5. GND
6. DSR	7. RTS	8. CTS	9. RI	

1.2 Pin assignment of DB9 female port:

DB 9 female assignment

1. DCD	2. TXD	3. RXD	4. DSR	5. GND
6. DTR	7. CTS	8. RTS	9. RI	

2. If you just hook these adapters to your Windows computer, the driver should be installed automatically, if not, you can try to install the drivers as follows:

When you start to use the serial adapter, please download the corresponding drivers:
https://www.prolific.com.tw/en/portfolio-item/pl2303gt/

Click the corresponding link to download the drivers.

3. Also, you could download the driver via our official website:
https://www.cablecreation.com/download/?ss=PL2303&stype=download

If you are running macOS, you can also refer this link to get more supports.
