Gas Oven Igniter Compatibility Guide

Dear customer
thanks a lot for choosing your brand,this will help check whether our product is suitable for your gas range oven.please refer to the table we have listed for you.
We have removed the suffixes of some models to make it easier for you to search, as long as the prefixes are the same, they are suitable.

DG94-00520A and WB13K21 only differ in appearance,
but the compatible models are completely the same!
