CONTROL PANEL

	Power button	In the standby state, the panel light is half bright, touch the power button to turn on, the button icons lights become all white, and the airflow defaults to the first gear operation. In the working state, press the power button again for 3 seconds and the machine enters the standby state. All the icon lights are off and only the power button icon lights are half on.
	Airflow	Press the Airflow speed button to increase and decrease the airflow speed from 1,2 and 3.
	Sleep timer	Your appliance will turn off automatically after the selected amount of time. To set the time: Press the button to scroll through the time options. Once activated press the Sleep Timer button once to see the time selected. To cancel the Sleep timer: Press the Sleep timer button twice.
	Night Light button	When the purifier starts to work, the Blue LED Indicator and the Night Light are ON at the same time. Please press the Night light button to turn on/off the light.

TROUBLESHOOTING

Problem	Solution
Product not working	1.Check whether the plug is inserted into the socket, and whether turn on the power button. 2.Reinstall the filter.
No Power adapter	Counterclockwise the bottom base cover to get the charging adapter.
Fresh air cannot be sent out smoothly from the air outlet	1.Please unpack the plastic packaging first. 2.Clean foreign matter.
Poor odor removal	1.Change its location and remove the barrier. 2.Please replace the FULMINARE filter.
The machine makes an unusual sound when it's running	1.Please remove the obstructing objects(e.g. remove the filter PE bag). 2.Clean foreign matter.

WARRANTY

FULMINARE provides a two-year product warranty from the date of the purchase for all our products. We will take care of all quality-related issues with a REPLACEMENT or FULL REFUNDED including any return shipping costs. If your product is defective and under warranty, please feel free to contact us.
Please carefully follow our warranty process to minimize any delays:
1. Note the product model name. It can be found on a sticker located underneath or on the back of the product.
2. Provide the order number for a purchase made through Amazon.
The typical turnaround time to address Warranty claims is 14 business days, depending on your geographical location and type of damage or Warranty claim.
This warranty does not apply to the following:
Damage due to abuse, accident, alteration, misuse, tampering, or vandalism.
Improper or inadequate maintenance.
Damage in return transit.
Unsupervised use by children under 18 years of age.

CUSTOMER SUPPORT

FULMINARE assumes no liability for damage caused by the use of the product other than for its intended use or as instructed in the user manual. Some states DO NOT allow this exclusion or limitation of incidental or consequential losses so the foregoing disclaimer may not apply to you. This warranty gives you specific legal rights and you may also have other rights that may vary from state to state.
Any issues or questions regarding your new product, please feel free to contact our Customer Support Team.
*Please have your order number ready before contacting Customer Support.
