Highlights

Hands-free Voice Control

Connect your devices with the Amazon Alexa, Google Assistant, or SmartThings using simple voice command.

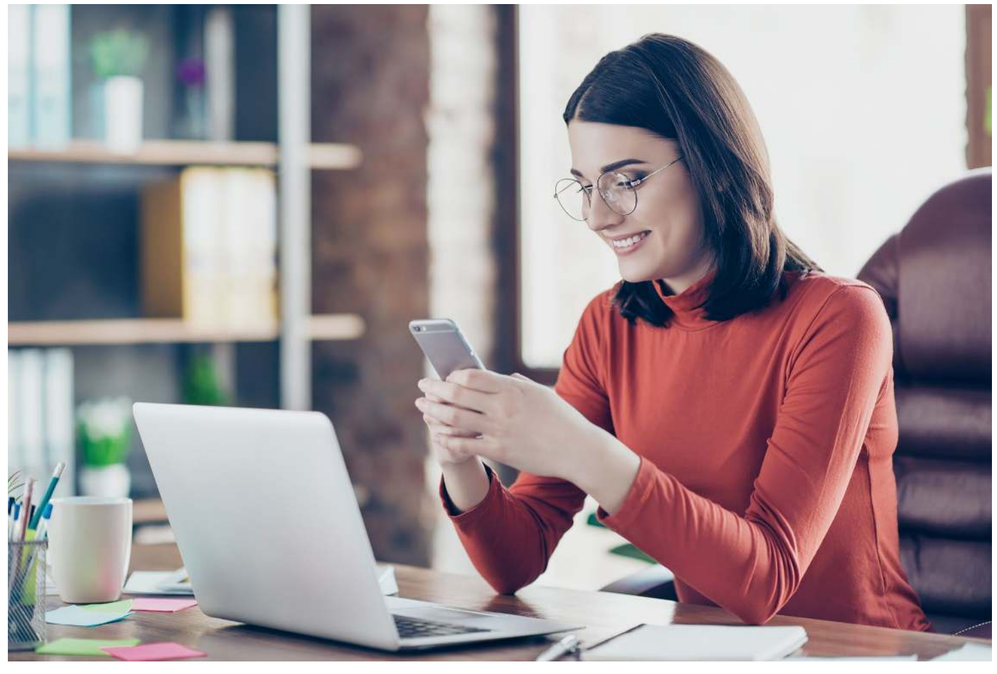

works with Hey Google

WORKS WITH alexa

works with SmartThings

Schedules

Schedule each outlet individually or altogether to turn on or off at set times throughout the day.

Features

3 Smart Outlets

Independently control three smart outlets. Sufficient space between outlets ensures the simultaneous use of multiple devices.

Control From Anywhere

Control connected devices from anywhere with the Kasa Smart app.

Surge Protection

ETL certified surge protection shields sensitive electronics and appliances from sudden power surges.

2 USB Ports

Charge your phone, tablet, or any other device using the always-on USB ports.

Voice Control

Use simple voice commands with Alexa and Google Assistant to control your connected devices.

Set Schedules

Schedule each outlet individually or altogether to turn on or off at set times throughout the day.

No Hub Required

Connect to your home's Wi-Fi network. No need for a hub or extra equipment.

Grouping

Use Grouping to combine your Kasa devices with other Kasa Smart devices for seamless control with one single tap on your smartphone.

Works with SmartThings

Control and manage your Kasa devices with SmartThings.

Smart Actions

With Smart Actions, your Kasa devices can work together to create a smarter smart home.

Space-Saving Design

The smart power strip's right-angled plug is designed to leave other outlets free and fit perfectly behind furniture and in tight spaces.
