*Based on consumer testing in Germany comparing global leading One Touch (Coffee + Milk) Full Automatic Espresso Machines (2023).

Highlights

5 hot & refreshing drinks

At one touch, enjoy popular coffee recipes, from classic espresso, regular black coffee, espresso lungo to iced coffee, with the perfect crema, aroma and temperature. Hot water for tea is also available. Our unique brewing system perfectly extracts the beans flavors with a slower flow rate and at lower temperature. Add ice cubes to your drink and enjoy a delicious iced-coffee, with no compromise on coffee intensity.

Easy coffee selection and customization

Easily select your favorite drinks thanks to the modern touch screen display with colored icons. Adjust your coffee your way with the My Coffee Choice function: choose your preferred coffee strength, length, and milk froth level, just to your taste.

Milk frothing made easy

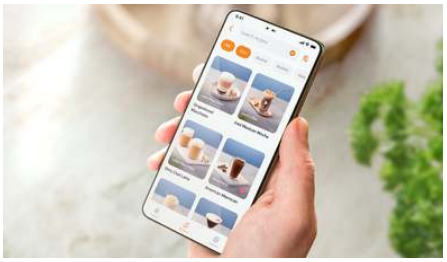

Easily prepare your favorite milk-based coffees in only 2 steps. The classic milk frother prepares thick-frothed milk to which you can add espresso and enjoy a delicious cappuccino. You can even prepare hot milk for your hot chocolates.

100% ceramic grinders

Bring out the full flavor of your coffee with our hard-wearing ceramic grinder. The durable ceramic grinder can be adjusted in 12 steps, from fine to coarse grindings.

Effortless, inspired coffee with HomeID App

Learn the ins and outs of your machine and discover new cafe-style coffee recipeson our HomeID app.

AquaClean filter

By changing the filter after being prompted by the machine, you will not need to descale your machine for up to 5000 cups*, while enjoying clear and purified water.

Quiet coffee making with SilentBrew

Quietly prepare aromatic coffee thanks to our industry-leading SilentBrew technology, which uses sound shielding and quiet grinding to create a pleasant coffee making experience. Certified by Quiet Mark....

Milk solution: CMF
Milk frothing: Yes
Profiles: No
Capacity Watertank: 1,8 l
Technology: Silent brew
Interface: Intuitive touch display
Connectivity: No
Warranty: 2 years
Dishwasher safe parts: Yes
Coffee source: Fresh beans
User involvement: Touch of a button

Safety feature

Automatic shut-off timer: Yes
Safety certification: Yes

Technical Specifications

Energy Efficiency rating: Class A
Power: 1500W
Voltage: 230 V
Frequency: 50 Hz
Number in pack: 1

Weight and Dimensions

Product Length: 433mm
Product Width: 246mm
Product Height: 371mm
Product Weight: 8 kg
Package Length: 491,5mm
Package Width: 287,5mm
Package Height: 487mm
Package Weight: 10-12,5 kg

Country of Origin

Produced In: Romania

Compatibility

Included Accessories 2: Measuring Spoon
Included Accessories 3: Water Hardness Test Strip
Related Accessories 1: Coffee oil removal tablets
Related Accessories 2: Espresso machine descaler
Related Accessories 3: Cleaning brush
Related Accessories 4: Philips brew group lubricant

Durability

Packaging: > 95% recycled materials
User Manual: > 75% recycled paper

Energy efficiency

Standby mode power consumption: 0.2 W
Off mode power consumption: n/a
Networked standby mode power consumption: n/a
Period before automatic switching into standby mode: 30 Min
Measurement standard: EN 50564:2011
