046677570552

Easy smart lighting

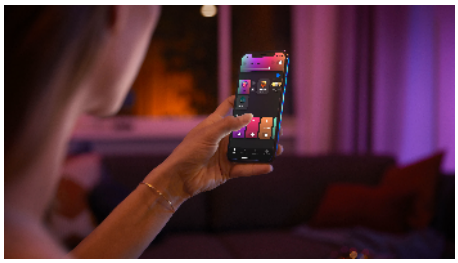

Featuring gradient technology, this lightstrip blends different colors of light together at once. It's flexible and extendable up to 10 meters, letting you add a brilliant blend of color to any space.

Easy smart lighting

- Control up to 10 lights with the Bluetooth app
- Control lights with your voice*
- Create a personalized experience with colorful smart light
- Set the right mood with warm to cool white light
- Unlock the full suite of smart lighting features with the Bridge
- Seamlessly blend colors
- Shape, cut, or extend
- Extendible up to 33 feet
- Dynamic light scenes

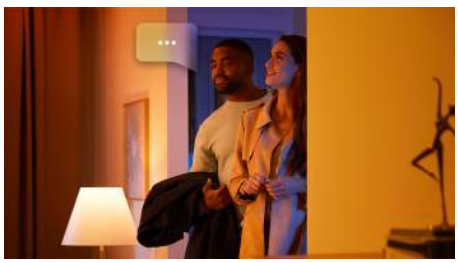

Highlights

Control up to 10 lights with the Bluetooth app

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled light fixtures and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Create a personalized experience with colorful smart light

Instantly set the mood for any occasion with 16 million colors of light. Transform any room for an immersive entertainment experience, create the perfect atmosphere for a get-together with friends, or complement your home decor.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart — away-from-home control, voice control, automated lighting, and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Seamlessly blend colors

Get a seamless blend of multiple colors of light at the same time in a single LED strip. The colors flow together naturally, casting light to showcase a unique effect.

Shape, cut, or extend

Completely flexible, the gradient lightstrip lets you shape and bend it to fit your space. Attach a gradient lightstrip extension for larger surfaces or cut the strip to size to fit into a smaller space.

Extendible up to 32 feet

Extend your Philips Hue gradient lightstrip up to 32 feet with 40-inch extensions. Cover larger areas with a colorful and consistent blend of light, such as full-room cove lighting or under a bed.

Dynamic light scenes

Amp up the ambiance of special moments with living light. Use dynamic scenes to create the perfect mood in any situation.
