Uniden®

# Atlantis 275

**Largest Screen in Class***

NOAA Weather Radio

SUBMERSIBLE IPX8

## 6 Watt Floating Handheld VHF Marine Radio

It's 6 watts of big-ocean power in a compact day-at-the-lake size.

Because you never know when a nice day on deck might turn into a quick dunk in the water, we've designed a radio that's comfortable with both. The Atlantis 275 is equipped with 6 watts of power to be your lifeline to information and communication that keeps you safe at sea. Built to throw in your pocket or tuck away on deck, the Atlantis 275 is easily within reach throughout it all.

# Atlantis 275
